

Board Recruitment 2026

Join the Brent CLT Board

Brent Community Land Trust (Brent CLT) is a volunteer-led organisation with a big ambition: to help create a fairer, more affordable future for local people in Brent.

We're now looking to expand our Board with the skills, experience and energy needed for the next phase.

An opportunity to make a local difference.

Our first project: 19 genuinely affordable homes in Stonebridge

Brent CLT has been built by volunteers who care passionately about Brent and believe local communities should have a stronger voice in shaping the places they live.

We're currently developing our **first community-led housing project in Stonebridge, NW10**, which will deliver **19 genuinely affordable homes** for local people.

This is a really exciting stage for Brent CLT. We've come a long way thanks to the energy, ideas and commitment of our volunteers and our first project is helping turn our vision of community-led housing into reality.

You don't need to know everything about community land trusts — what matters most is that you're enthusiastic about what we're trying to achieve and willing to get involved.

Anyone can apply, and we'd particularly encourage applications from people who represent any of the following:

- Are from minority or underrepresented communities.
- Have a connection to Brent and an interest in making a positive difference locally.
- Can bring additional Board-level skills and experience, particularly in:
 - **Finance and fundraising**
 - **Organisational development**

- Can bring fresh ideas, constructive challenge and a willingness to work as part of a team.

We're also particularly interested in hearing from people who could take on one of our

key Board roles:

- **Co-Chair** — helping provide leadership, direction and a welcoming, collaborative Board culture.
- **Secretary** — helping ensure the Board is well organised, effective and supported to make good decisions.

What will you gain?

Joining the Brent CLT Board is a chance to:

- Help shape a community-led organisation at an exciting stage of its development.
- Make a tangible contribution to the future of Brent.
- Meet and work with people who are passionate about housing, communities and social change.
