About Rampage

Rampage is a UK registered charity (no. 1217084) focused on one simple, powerful thing - getting more ramps into everyday venues. We believe access is a right, not a privilege. Through campaigns, audits, partnerships and storytelling, we're working to make inclusive spaces the norm.

How We Work

- Small, ambitious, and fast-moving
 - Collaborative and informal
 - Flexible and remote-first
 - Focused on real-world impact over process
 - Open to ideas, experimentation, and iteration
-

Reports To: Founder/CEO

Role Purpose:

To support the creation and coordination of bold, engaging content that raises awareness of accessibility and drives action in support of Rampage's aims.

Key Responsibilities

- Plan and schedule content across platforms (primarily Instagram)
- Create and/or support the creation of social content (posts, captions, stories, simple graphics)
- Help bring campaign ideas to life (e.g. stats, stories, audits, events)
- Coordinate content across founders, partners and contributors
- Monitor engagement and suggest improvements
- Capture and organise content from events and audits

Skills / Experience

Essential

- Strong writing and communication skills
- Good eye for engaging, accessible content
- Organised and reliable
- Comfortable using social platforms and basic design tools (e.g. Canva)
- Interest in social impact, accessibility, or campaigns

Experience & Perspectives We Value

- Lived experience of disability or accessibility barriers
- Experience managing social media accounts
- Experience in campaigns, charities, or start-ups

Time Commitment

6 hours per week

Voluntary Role

- Flexible time commitment agreed together
- Clear scope to ensure a meaningful contribution
- Opportunity to shape the work and build experience
- References and portfolio support available

Additional Support

- Clear briefs and priorities
- Regular check-ins (light-touch, remote-friendly)
- Access to tools and accounts
- Opportunity to grow with the organisation

Lived experience is at the heart of Rampage. We especially welcome applications from people with direct experience of accessibility barriers, whose insight will help shape and strengthen our work.
