

Tailored Yarn Memories Supporting Grieving Families

CHILD FRIENDLY EULOGIES

With ten illustrated boarders to choose from we can reword adult eulogies into child friendly language. Placed inside the illustrated boarder it can hang on their wall remind in them of someone special.

MEMORY MAKER

We take real memories and photographs and put them into a memory book with watercolor illustrations. Just ask us to share with you the example of Elias First Christmas as a digital flip book but they can be printed as well.

LITERATURE LEGACIES

Creating bespoke fictional stories to preserve the memories of parents and carers who have passed away. With a range of a dozen Like the idea of a memory box but in a story to treasure and strengthen those bonds.

WATERCOLOUR WORKSHOPS

Capturing the memories of loved ones through the therapeutic process of watercolour sessions that can be framed and treasured. Giving permission to spend time remembering your lives together.

BESPOKE BEREAVEMENT SUPPORT

Helping families preserve memories of their loved ones!
